Hello, my business name is Stone Printing Office Supply located in Carroll, Iowa. We've been in business since 1946 covering the central and southwest part of Iowa selling office products, furniture and custom printed material. We've been a customer of Western Iowa Network for approximately 10 years using their telephone, wireless and high-speed internet services. WIN has provided us with the service and product to continue to seamlessly operate daily. The WIN team is very conscious of interrupted service and quick to respond to any issues we may have eliminating nearly any down time. We are very satisfied with the product and service provided by WIN. They have proven to us to be a reliable partner that we intend to do business with for a long period of time.

Thank you,
