

Little Knights Learning Center

411 Lincoln Street * P O Box 672 * Dysart, IA 52224

To Whom It May Concern,

This letter is to support the Farmers Cooperative Telephone Company in their efforts to bring faster broadband speeds to the community of Dysart. At this time the Little Knights Learning Center is in the process of building a new facility. Faster broadband speeds will greatly benefit our daycare in many ways.

Sincerely,

Wanda Petersen – Board President
